

Alabaster Anima (102 cm/40")

The Alabaster Anima Chandelier is an architectural composition of hand-carved Spanish alabaster and precision-crafted solid copper, defined by symmetry, proportion, and material authenticity. Eighteen luminous stone cylinders form a refined double-tier arrangement, diffusing light with exceptional softness while establishing a commanding presence within grand residential and hospitality interiors.

ARCHITECTURAL PRODUCT SPECIFICATION

Technical Specifications:

1. SKU: HDLS#Anima1
2. Overall Dimensions: Ø102 × H75 cm (Ø40" × H29.5") – body only
3. Adjustable Overall Drop: 95–245 cm (37.4"–96.5")
4. Weight: 45 kg (99 lbs)
5. Light Sources: 18 lights (12 outer + 6 inner)
6. Lamp Type: G9 LED (recommended)
7. Dimming: Compatible with dimmable G9 LED systems
8. Material – Diffusers: Hand-carved Spanish alabaster cylinders
9. Material – Structure: Solid copper
10. Alabaster Cylinder Dimensions: Ø8 × H20 cm (Ø3" × H7.8")
11. Finish: Brushed Brass (custom finishes available)
12. Installation: Ceiling-mounted, hardwired with adjustable chain suspension
13. Certifications: UKCA, CE, UL, CSA, RoHS

ARCHITECTURAL PRODUCT SPECIFICATION

PMaterials

- Hand-carved Spanish alabaster cylinders
- Solid copper structural framework
- Premium architectural-grade metal components
- Natural stone diffusers with individually unique veining

Craftsmanship

Each alabaster cylinder is individually carved, honed, and hand-selected to achieve balanced translucency while preserving the natural character of the stone. No two fixtures are identical, making every chandelier a bespoke architectural statement.

Finish Options

- Brushed Brass (Standard)
- Custom architectural finishes available upon request

Lighting

Eighteen illuminated alabaster cylinders arranged in a double-tier composition diffuse light through natural stone, producing a warm light that enhances volume, texture, and architectural depth.

Installation

Designed for hardwired ceiling installation with a standard 150 cm adjustable chain, suitable for standard, vaulted, and double-height interiors. Professional installation is recommended.

Certifications

Manufactured in accordance with:

- UKCA
- CE
- UL
- CSA
- RoHS

Lead Time

6–8 Weeks Standard Production Lead Time
