

## Alabaster Anima (80cm/31.4")

The Alabaster Anima Ø80 cm Chandelier by HDLS Lighting Ltd distills the elegance of natural Spanish alabaster into a refined architectural composition. Ten hand-carved alabaster cylinders rise from a precision-crafted copper frame, creating a balanced silhouette that fills interiors with a soft, ambient glow. Designed for luxury dining rooms, living spaces, bedrooms, and boutique hospitality projects, each natural stone diffuser reveals unique veining, ensuring every chandelier is an individually crafted statement of timeless European craftsmanship.

## ARCHITECTURAL PRODUCT SPECIFICATION

## ARCHITECTURAL PRODUCT SPECIFICATION

---

Alabaster Anima Ø80 cm is designed for interiors where authentic materials and restrained luxury define the space. Its handcrafted Spanish alabaster and architectural brass structure create a warm, sculptural presence that feels both contemporary and enduring. Built for discerning homeowners, designers, and hospitality projects, it is a timeless lighting statement crafted to remain relevant for decades rather than seasons.
