

Alabaster Colonna (280cm/110")

Alabaster Colonna is conceived as a vertical architectural light sculpture, where natural Spanish alabaster and refined copper construction combine to create a striking presence within staircases, atriums, and double-height interiors. Its disciplined composition transforms height into atmosphere, bringing warmth, rhythm, and material authenticity to contemporary luxury spaces.

Technical Specifications

- SKU: HDLS#AlabasterColonna-1
- Collection: Alabaster Collection
- Product Type: Vertical Alabaster Pendant Light
- Overall Height: 280 cm (110")
