

Aurora Magma

Aurora Magma is a sculptural linear chandelier handcrafted from solid brass and Murano-style glass. Inspired by flowing molten forms, its artisan-crafted glass elements create warmth, movement, and architectural presence, bringing refined contemporary luxury to dining rooms, kitchen islands, and social spaces.

ARCHITECTURAL PRODUCT SPECIFICATION

Aurora Magma transforms functional illumination into a sculptural architectural statement. The interplay between solid brass and hand-formed Murano-style glass creates depth, texture, and a warm atmospheric glow across dining tables, kitchen islands, and entertaining spaces. Designed for interiors where craftsmanship and design carry equal importance, Aurora Magma delivers a distinctive balance of artistry, material richness, and contemporary elegance.
