Materials & Construction

The Donatello Regal Glow is handcrafted from solid 18K gold-plated copper and finished with individually formed Murano-style amber and clear glass, created using traditional Venetian-inspired furnace techniques. Premium black fabric shades soften the illumination, creating an elegant ambient glow. Every wall lamp is completed through HDLS Lighting Ltd's 25-stage quality control process, ensuring exceptional craftsmanship, structural integrity, flawless finishing, and long-lasting performance for luxury residential and boutique hospitality environments.
