ARCHITECTURAL PRODUCT SPECIFICATION

Élysée Couronne Royale is conceived as an architectural masterpiece. Its monumental proportions, intricate hand-finished detailing, and radiant 24K gold-plated construction establish a commanding focal point that transforms volume into atmosphere and craftsmanship into legacy. Created for exceptional residences, landmark hospitality projects, and spaces where prestige is inseparable from design, it embodies the philosophy of Maison Élysée: timeless European artistry, uncompromising materials, and enduring architectural presence. More than a chandelier, Élysée Couronne Royale is an heirloom created to illuminate generations while defining the identity of the spaces it inhabits.
