Materials & Construction

The Florence Trapunto Lucea is handcrafted from premium quilted ivory leather inspired by Florence's renowned Trapunto quilting tradition. A precision-engineered polished stainless-steel structure supports a curtain of genuine Asfour crystal prisms that maximise brilliance while maintaining a refined architectural profile. Every pendant is individually assembled by skilled artisans before completing HDLS Lighting Ltd's 25-stage quality control process, ensuring exceptional craftsmanship, flawless finishing, structural integrity, and lasting performance for luxury residential and boutique commercial interiors.
