Materials & Construction

The Florence Trapunto Salvia is handcrafted using premium quilted leather inspired by the historic Trapunto quilting tradition of Florence. Its deep sage leather band introduces warmth and tactile sophistication, while a precision-engineered stainless-steel structure supports a curtain of genuine Asfour crystal prisms that maximise brilliance and clarity. Every chandelier is individually assembled by skilled artisans before completing HDLS Lighting Ltd's rigorous 25-stage quality control process, ensuring exceptional craftsmanship, flawless finishing, long-term durability, and reliable performance in luxury residential and boutique hospitality interiors.
