

Hyperion Lumina

The Hyperion Lumina Linear Chandelier is conceived for interiors where exceptional scale, architectural precision, and refined craftsmanship define the dining experience. Handcrafted from solid brass with radiant crystal detailing, its commanding linear form transforms long dining tables into sophisticated focal points of light, proportion, and contemporary luxury.

- Solid brass construction
- Elegant rose gold finish
- A+ grade lead-free precision-cut crystal
- 64 × E14 LED-compatible light sources
- Fully adjustable and customisable suspension
- Bespoke length and width available

Materials & Construction

The Hyperion Lumina Linear Chandelier is handcrafted from solid brass and finished in an elegant rose gold tone, providing exceptional structural integrity and enduring visual refinement. Precision-cut A+ grade lead-free crystal elements are meticulously arranged to maximise brilliance and balanced light diffusion across the fixture's 360 cm architectural span. Sixty-four E14 LED-compatible light sources deliver uniform illumination, while the fully customisable suspension and bespoke dimensional options allow seamless integration into large-scale residential and hospitality interiors.

ARCHITECTURAL PRODUCT SPECIFICATION

The Hyperion Lumina Linear Chandelier combines architectural scale, solid brass craftsmanship, and exceptional crystal brilliance to create a commanding contemporary centrepiece. Designed for expansive dining environments and bespoke luxury interiors, it delivers perfectly balanced illumination, refined proportions, and enduring elegance that elevate every architectural space.
