

## La Scala Crystal Barone

La Scala Crystal Barone is an architectural linear chandelier inspired by Italian aristocratic elegance and Roman heritage. Created for prestigious dining rooms and refined hospitality interiors, its elongated proportions, sculpted detailing, and cascading crystal composition transform long tables into luminous architectural centrepieces.

### Materials & Construction

La Scala Crystal Barone is handcrafted from premium copper and finished in polished 18K gold plating to achieve exceptional structural rigidity and a flawless architectural finish. Its elongated arrangement of precision-cut A+ grade lead-free crystal bars is individually hand-installed to produce balanced light distribution and remarkable optical clarity. Inspired by Italian aristocratic design and Roman architectural motifs, every chandelier is meticulously assembled and polished to deliver enduring performance, refined proportions, and timeless elegance.

## ARCHITECTURAL PRODUCT SPECIFICATION

---

La Scala Crystal Barone embodies the refinement of Italian design through exceptional craftsmanship, architectural proportion, and timeless materials. Created for distinguished dining spaces where lighting defines the experience, it delivers lasting elegance, visual harmony, and an exclusive presence reserved for the world's finest interiors.
