

## La Scala Crystal Conte

Inspired by the timeless grandeur of Teatro alla Scala in Milan, La Scala Crystal Conte combines Italian artistry with architectural precision. Its refined tiered silhouette, luminous crystal composition, and balanced proportions create an elegant centrepiece that brings enduring sophistication to distinguished residential and hospitality interiors.

### Materials & Construction

La Scala Crystal Conte is handcrafted from premium copper and finished in polished 18K gold plating to achieve exceptional durability and refined architectural detailing. Precision-cut A+ grade lead-free crystal bars are individually hand-installed in a layered cascade, creating remarkable optical clarity and balanced light refraction. Inspired by Roman and Italian classical artistry, every chandelier is meticulously assembled and hand-finished to deliver enduring performance, structural integrity, and timeless elegance.
