Materials & Construction

La Scala Crystal Contessa is handcrafted from premium copper and finished in polished 18K gold plating, creating a structure of lasting strength and refined elegance. Precision-cut A+ grade lead-free crystal bars are enhanced by integrated Asfour micro-crystals that intensify brilliance while maintaining controlled, sophisticated light refraction. Every chandelier is hand-assembled and subjected to HDLS Lighting's 25-stage quality control process to ensure exceptional finish, structural integrity, and long-term performance.
