Materials & Construction

La Scala Crystal Marchesa is handcrafted from premium copper and finished in polished 18K gold plating, providing exceptional durability and lasting brilliance. The chandelier is adorned with precision-cut A+ grade lead-free crystal bars, while integrated genuine Asfour crystals enhance luminosity and create remarkable optical depth. Every component is individually assembled and inspected through HDLS Lighting's 25-stage quality control process to ensure flawless finish, structural integrity, and exceptional performance.

ARCHITECTURAL PRODUCT SPECIFICATION

La Scala Crystal Marchesa celebrates timeless craftsmanship through noble proportions, exceptional materials, and refined architectural beauty. Designed to become a permanent focal point rather than a passing trend, it brings warmth, prestige, and enduring elegance to distinguished interiors while expressing the unmistakable character of the La Scala Crystal Collection.
