

## La Scala Crystal Visconte

La Scala Crystal Visconte extends the timeless elegance of the La Scala Collection onto the wall, translating grand architectural design into a refined sculptural form. Designed for villas, luxury residences, boutique hotels, and sophisticated interiors, it introduces depth, symmetry, and luminous refinement while complementing the collection's iconic chandeliers.

- Made to Order
- Lead Time: 10 to 12 Weeks

### Materials & Construction

La Scala Crystal Visconte is handcrafted from premium copper and finished in polished 18K gold plating for lasting durability and refined brilliance. Precision-cut A+ grade lead-free crystal bars are individually arranged in an elegant cascading composition that delivers controlled light refraction and exceptional optical clarity. Every fixture is meticulously hand-assembled, hand-polished, and engineered to reflect the craftsmanship and architectural character of the La Scala Crystal Collection.
