Materials & Construction

The Luce Regale Avorio Grande is handcrafted from solid 18K gold-plated copper and finished with individually formed Murano-style clear glass droplets inspired by traditional Venetian glassmaking. Tailored ivory fabric shades diffuse the illumination into a warm, elegant ambience while enhancing the chandelier's sculptural composition. Every chandelier undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring flawless craftsmanship, structural integrity, exceptional finishing, and long-term durability for prestigious residential and hospitality projects.
