Materials & Construction

The Luce Regale Avorio Magnifica is handcrafted from solid 18K gold-plated copper and decorated with individually formed Murano-style hand-blown glass droplets inspired by traditional Venetian glassmaking. Tailored ivory fabric shades soften the illumination while enhancing the chandelier's elegant silhouette. Every chandelier undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring exceptional craftsmanship, flawless finishing, structural integrity, and lasting performance for luxury residential and hospitality interiors.
