Materials & Construction

The Donatello Eleganza is handcrafted from solid 18K gold-plated copper and enriched with individually formed Murano-style amber glass produced using traditional Venetian-inspired furnace techniques. Clear crystal accents introduce additional brilliance, while premium black fabric shades soften the illumination into a warm, inviting ambience. Every chandelier undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring exceptional craftsmanship, structural precision, flawless finishing, and enduring performance for luxury residential and hospitality interiors.
