Materials & Construction

The Donatello Piccolo is handcrafted from solid 18K gold-plated copper and decorated with individually formed Murano-style amber glass created using traditional Venetian-inspired furnace techniques. Clear crystal accents add brilliance, while the black fabric shade diffuses the light into a soft, intimate glow. Every pendant undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring exceptional craftsmanship, structural integrity, flawless finishing, and long-lasting performance for luxury residential and hospitality interiors.
