Materials & Construction

The Luce di Roma Foro Wall Sconce is handcrafted from premium 18K gold-plated copper and finished with precision-cut champagne Asfour crystal selected for exceptional clarity and brilliance. Every crystal spear is individually mounted and polished before assembly, while the mirror-polished metalwork is carefully finished to deliver lasting durability, structural integrity, and refined architectural presence.

ARCHITECTURAL PRODUCT SPECIFICATION

The Luce di Roma Foro Wall Sconce combines Roman architectural inspiration with contemporary craftsmanship to create a timeless lighting statement. Its sculptural proportions, noble materials, and warm illumination bring elegance, depth, and architectural rhythm to refined interiors where enduring quality and considered design remain paramount.
