- Stable floor-standing plug-in installation

Materials & Construction

The Manhattan Column Crystal Floor Lamp is handcrafted from solid 18K gold-plated copper, selected for its exceptional durability, structural stability, and warm architectural finish. Surrounding the upper frame, A+ grade lead-free precision-cut crystal is individually arranged to create controlled light refraction, exceptional clarity, and a refined ambient glow. A tailored brown leather-wrapped band introduces warmth and tactile sophistication, reflecting the craftsmanship and contemporary elegance synonymous with the Manhattan Collection. Every floor lamp is individually assembled by skilled artisans before undergoing HDLS Lighting Ltd's comprehensive 25-stage quality control process, ensuring flawless finishing, structural integrity, and dependable long-term performance.
