Materials & Construction

The Manhattan Halo Crystal Chandelier is handcrafted from solid 18K gold-plated copper, selected for its durability, structural integrity, and rich architectural finish. Surrounding the frame, A+ grade lead-free precision-cut crystal is meticulously arranged to create a continuous circular composition that delivers controlled brilliance and exceptional clarity. A tailored brown leather-wrapped band introduces warmth and tactile refinement, inspired by New York's heritage of luxury craftsmanship. Every chandelier is individually assembled by skilled artisans before completing HDLS Lighting Ltd's rigorous 25-stage quality control process, ensuring flawless construction, premium finishing, and dependable long-term performance.
