Materials & Construction

The Maria Eleganza Table Lamp is handcrafted from solid 18K gold-plated copper, providing exceptional durability, corrosion resistance, and a luxurious mirror-polished finish. The sculptural body is enriched with authentic Asfour Egyptian crystal, individually applied to create a refined surface that enhances light with remarkable clarity and brilliance. A hand-finished ivory fabric shade diffuses illumination into a soft, inviting glow, making the lamp equally suited to contemporary and classic interiors. Every piece is handcrafted by skilled artisans and undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring impeccable craftsmanship, structural integrity, and lasting performance.
