Materials & Construction

The Maria Luxe Chandelier is handcrafted from solid 18K gold-plated copper, selected for its exceptional durability, structural integrity, and luxurious finish. Gracefully curved arms are individually wrapped with authentic Asfour Egyptian crystal, renowned for its outstanding clarity, brilliance, and precision cutting. Hand-finished ivory fabric shades soften the illumination, creating a warm and welcoming atmosphere while enhancing the chandelier's elegant silhouette. Every Maria Luxe is individually assembled by skilled artisans before completing HDLS Lighting Ltd's comprehensive 25-stage quality control process, ensuring flawless craftsmanship, structural precision, and exceptional long-term performance.
