

Modernus Linear

Modernus Linear is a contemporary architectural chandelier inspired by the refined simplicity of Italian design. Composed of hand-sculpted Murano-style glass discs suspended along a polished brass-gold structure, it delivers soft diffused illumination and sculptural rhythm, creating an elegant focal point for dining rooms, kitchen islands, and modern luxury interiors.

ARCHITECTURAL PRODUCT SPECIFICATION

SKU: HDLS#ModernusLinear

Materials & Construction

Each Modernus Linear chandelier is assembled around a premium brass-gold-finished copper structure supporting individually handcrafted Murano-style glass discs. Every disc is artisan-formed with distinctive ripple texturing, producing subtle natural variations that enhance light diffusion and reinforce the authenticity of handcrafted luxury.
