

Modernus Moon

Modernus Moon transforms handcrafted Murano-style glass into a luminous sculptural sphere inspired by the quiet beauty of the moon. Blending contemporary Italian influence with refined craftsmanship, it introduces warmth, depth and architectural elegance to sophisticated modern interiors.

- Handcrafted glass discs
- Warm ambient glow
- Architectural focal point
- Sculptural modern elegance
- Layered light diffusion
- Luxury residential spaces
- Hospitality-ready
- Bespoke suspension options
- Limited artisan production
- Timeless contemporary aesthetic

Materials & Craftsmanship

Modernus Moon is handcrafted around a precision-engineered copper framework finished in polished brass-gold and assembled with individually textured Murano-style glass discs. Each disc is formed to produce subtle light diffusion and natural variation, while skilled artisans carefully compose every layer to achieve visual balance, structural integrity and a refined spherical form.
