

Montclair Crystal Chandelier

Montclair draws inspiration from the refined crystal lighting of 1960s Central European modernism, where architectural balance and material purity defined luxury. Handcrafted from 18K gold-plated copper and precision-cut crystal, it brings timeless European elegance to distinguished contemporary interiors.

Materials & Craftsmanship

Montclair is handcrafted from premium 18K gold-plated copper and meticulously assembled with individually positioned high-clarity K9 crystal prisms. Every crystal is precision-cut and aligned to achieve uniform spacing, balanced light refraction and architectural symmetry. Each chandelier undergoes detailed finishing and quality inspection to ensure lasting durability, structural integrity and exceptional visual harmony.
