- A+ grade lead-free precision-cut crystal
- E27 LED-compatible light source
- Fully dimmable with compatible components
- Adjustable chain or rod suspension

Materials & Construction

The Montclair Galerie Crystal Chandelier is meticulously crafted from solid copper and finished with an elegant 18K gold-plated brushed gold surface, providing lasting structural integrity and refined visual warmth. Precision-cut A+ grade lead-free crystal prisms are individually aligned to maximise clarity, controlled light refraction, and balanced illumination. The adjustable suspension system allows precise installation across a variety of ceiling heights, while the disciplined linear composition delivers architectural harmony for sophisticated dining and hospitality interiors.

ARCHITECTURAL PRODUCT SPECIFICATION

The Montclair Galerie Crystal Chandelier combines refined European design, noble materials, and architectural precision to create a timeless linear centrepiece. Designed for elegant dining environments and sophisticated entertaining spaces, it delivers balanced illumination, restrained luxury, and enduring craftsmanship that enriches contemporary residential and hospitality interiors.
