

Opera Noir Elegance

Opéra Noir Éléance distils the drama of French Second Empire design into a more refined scale. Sculpted ornament, candle-style lighting and a striking dialogue between matte black and 24K gold create an elegant architectural centrepiece for sophisticated residential and hospitality interiors.

Materials & Craftsmanship

Élégance is shaped from copper using sculpted and formed components that give definition to its arms, scrollwork and ornamental detailing. Selected elements receive a rich 24K electroplated gold finish, contrasted by carefully executed matte-black surfaces. Each chandelier is individually assembled and hand-finished, with particular attention to symmetry, junctions and surface consistency.

ARCHITECTURAL PRODUCT SPECIFICATION

Opéra Noir Éléance offers the character of a grand French chandelier in a more considered proportion. Its interplay of dark architectural lines, gilded ornament and candle-style form gives dining rooms, entrance halls and intimate reception spaces a distinctive sense of occasion—expressive enough to command attention, yet composed enough to live with beautifully.
