

Opéra Noir Majesté

Opéra Noir Majesté commands the room through dramatic scale, architectural symmetry and the striking contrast of matte black and 24K gold. Inspired by French Second Empire and Napoleon III design, its sculpted candle-style composition transforms historic grandeur into a distinctive modern-classic statement.

Materials & Craftsmanship

Majesté is constructed from copper using formed, cast and sculpted components that create its elaborate architectural framework. Selected details receive multi-stage 24K gold electroplating, contrasting against hand-finished matte-black sections. Ornamental scrollwork and candle arms are individually assembled and aligned, with each chandelier inspected for symmetry, finish consistency and structural integrity.
