

Opéra Noir Pavillon

Opéra Noir Pavillon brings the ceremonial character of French Second Empire lighting to the wall. Its three candle-style lights, sculpted copper ornament and rich 24K gold detailing form an elegant vertical composition, designed to introduce architectural rhythm and classical distinction to refined interiors.

Materials & Craftsmanship

Pavillon is formed from copper using sculpted, cast and hand-finished components that give definition to its scrolling arms and ornamental body. Selected details receive multi-stage 24K gold electroplating, enhancing depth across the relief work. Each sconce is individually assembled and inspected for alignment, surface consistency and balanced presentation.

ARCHITECTURAL PRODUCT SPECIFICATION

Opéra Noir Pavillon turns the wall into part of the lighting composition. Used alone, it creates a poised decorative accent; arranged in pairs or repeated through a formal interior, it establishes symmetry, rhythm and ceremony. Its sculptural French character makes it particularly compelling beside mirrors, fireplaces and architectural openings.
