Materials & Craftsmanship

Triomphe is formed from substantial copper components shaped into elaborate arms, scrollwork and architectural ornament. Selected surfaces undergo 24K gold electroplating before being juxtaposed with precisely finished matte-black sections. Decorative chains and sculptural details are fitted individually, with final assembly focused on alignment, tonal consistency, and balanced presentation.

ARCHITECTURAL PRODUCT SPECIFICATION

Opéra Noir Triomphe brings theatrical French character into interiors that demand distinction without monumental scale. Its sculpted silhouette and striking dialogue between matte black and gold establish an atmosphere of ceremony and confidence, making it particularly compelling within formal residences, private clubs and richly composed hospitality settings.
