

Regency Noble

Regency Noble is an English Regency-inspired crystal chandelier that combines classical elegance with refined architectural proportion. Featuring sculpted candle arms, a crystal-draped basket and hand-finished 18K gold-plated copper, it creates a distinguished focal point for sophisticated residential and hospitality interiors.

- Inspired by the elegance of English Regency interiors
- Eight-light composition offering balanced architectural proportions
- Sculpted candle arms create a timeless classical silhouette
- Designed for formal and transitional interior schemes
- Ideal for Georgian, Georgian Revival and Federal-style architecture
- Creates refined ambient illumination with exceptional crystal brilliance
- Produced as a limited-run designer lighting collection

Materials & Craftsmanship

Regency Noble is handcrafted from solid copper, selected for its durability, structural integrity and ability to support intricate decorative detailing. Each component is individually cast, formed and hand-finished before receiving a polished 18K gold-plated finish. Authentic Asfour Egyptian crystal is carefully arranged into bead chains, faceted pendants and decorative drops that complement the chandelier's balanced eight-light composition. Every chandelier is assembled by skilled artisans and subjected to HDLS Lighting Ltd's quality inspection process to verify symmetry, crystal placement, finish consistency and overall craftsmanship before dispatch.
