Materials & Construction

The Regency Sovereign Chandelier is handcrafted from solid copper, selected for its exceptional strength, longevity, and ability to support intricate ornamental detailing. Every component is finished in a luxurious 18K hand-polished gold plating, while authentic Asfour Egyptian crystal is individually positioned in graduated bead chains, crystal swags, pendalogues, and a deep basket formation to maximise brilliance and visual balance. The chandelier is assembled by skilled artisans using traditional craftsmanship techniques and undergoes HDLS Lighting Ltd's 25-stage quality control process, ensuring precise alignment, structural integrity, flawless crystal placement, and outstanding finish quality.
