

## Solaris Mitra

Solaris Mitra is a grand architectural crystal chandelier inspired by Italian design principles and ceremonial symmetry. Crafted from 18K gold-plated copper and A+ grade lead-free crystal, its disciplined three-tier composition delivers structured brilliance and refined visual authority, creating a commanding focal point for luxury residential and hospitality interiors.

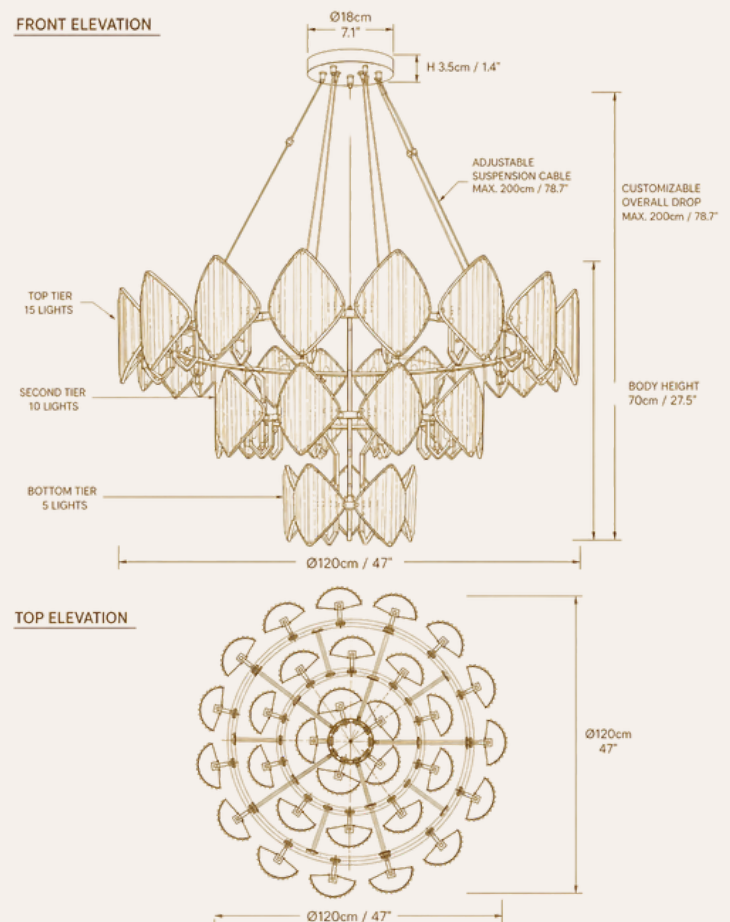

## ARCHITECTURAL PRODUCT SPECIFICATION

### Materials & Construction

The chandelier is constructed from premium 18K gold-plated copper and finished with A+ grade lead-free precision-cut crystals. Every crystal element is carefully positioned to produce balanced light diffusion and controlled brilliance, while the architectural three-tier composition reinforces proportion, symmetry, and visual clarity.

Each Solaris Mitra undergoes approximately 600 hours of skilled craftsmanship and 25 individual quality control inspections, ensuring exceptional material consistency, structural precision, and long-term performance.

## ARCHITECTURAL PRODUCT SPECIFICATION

---

Solaris Mitra is conceived for projects where lighting defines architecture rather than decorates it. Its disciplined geometry, exceptional craftsmanship, and controlled crystal brilliance establish a timeless architectural presence, bringing proportion, depth, and understated luxury to contemporary villas, penthouses, boutique hotels, and grand reception spaces.
