

## Versailles Le Bleu

Versailles Le Bleu is a monumental architectural crystal chandelier created for interiors where scale, craftsmanship, and visual authority define the experience. Combining classical French inspiration with contemporary engineering, its blue and clear precision-cut crystal composition transforms double-height spaces into extraordinary architectural statements of light, elegance, and permanence.

- White-Glove Worldwide Freight Available

### Materials & Construction

Versailles Le Bleu is handcrafted around a high-strength stainless steel structural frame and composed of individually selected A+ grade lead-free clear and blue crystals. The precision-cut crystal elements maximise brilliance and light refraction, while the refined blue accents introduce depth, contrast, and a distinctive architectural identity inspired by the grandeur of historic French palaces.
