

## Zarrin Aurelis

Zarrin Aurelis is an architectural pendant where jewel-scale proportions, refined 24K gold finishes, and precision-cut crystal create an atmosphere of understated luxury. Designed for intimate interiors where detail defines experience, it delivers balanced illumination and sculptural clarity while enriching contemporary spaces with timeless architectural presence.

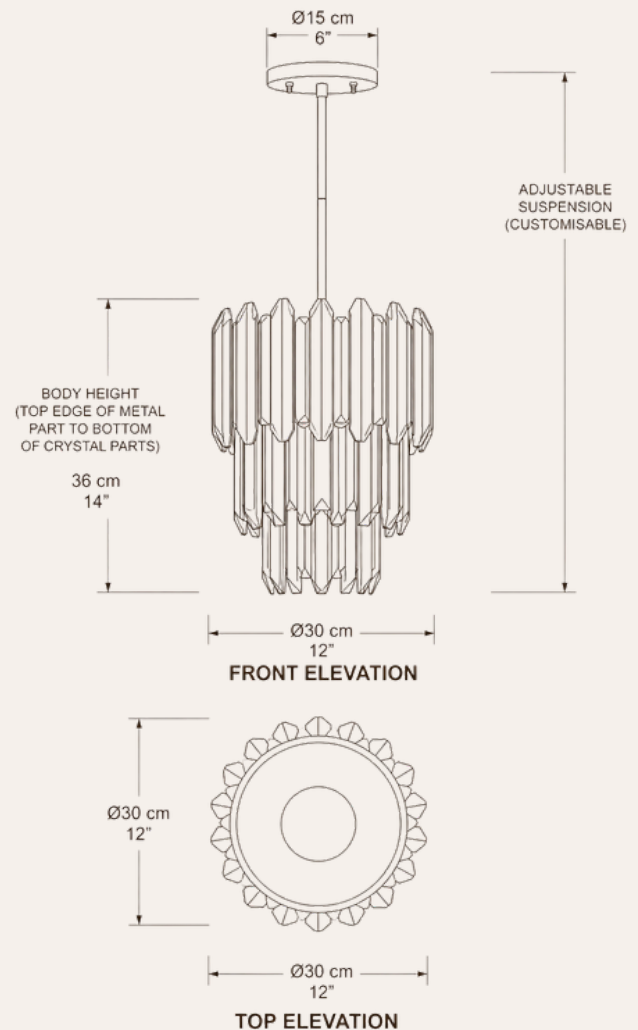

## ARCHITECTURAL PRODUCT SPECIFICATION

SKU: HDLS#ZarrinAurelis

### Technical Specification

- Overall dimensions: Ø30 cm × H36 cm (Ø12" × H14")
- Adjustable and customisable suspension height
- Standard rigid rod suspension with optional cable suspension
- Weight: 20 kg (44 lbs)

- A+ Grade Lead-Free Precision-Cut Crystal
- Hand Assembled & Precision Finished
- Individually Quality Inspected
- Adjustable Rod Suspension
- Optional Cable Suspension Available
- Compatible with Dimmable LED Systems
- Designed for Long-Term Architectural Integration
- Worldwide Project Coordination
- Fully Insured International Delivery

### Materials & Construction

Zarrin Aurelis is manufactured from premium stainless steel and finished using an advanced multi-layer 24K gold electroplating process that delivers exceptional colour consistency, durability, and long-term resistance to wear.

Individually precision-cut A+ grade lead-free crystal elements are arranged in a disciplined architectural composition, producing layered illumination and refined prismatic reflections that enhance natural stone, timber, bronze, and bespoke interior finishes.

## ARCHITECTURAL PRODUCT SPECIFICATION

---

Designed for interiors where refinement is expressed through precision rather than scale, Zarrin Aurelis transforms intimate spaces into architectural moments of lasting elegance. Its disciplined geometry, luminous crystal composition, and enduring materials establish a jewel-like focal point that enriches luxury residences with balance, clarity, and permanence.
