

Zarrin Celarion

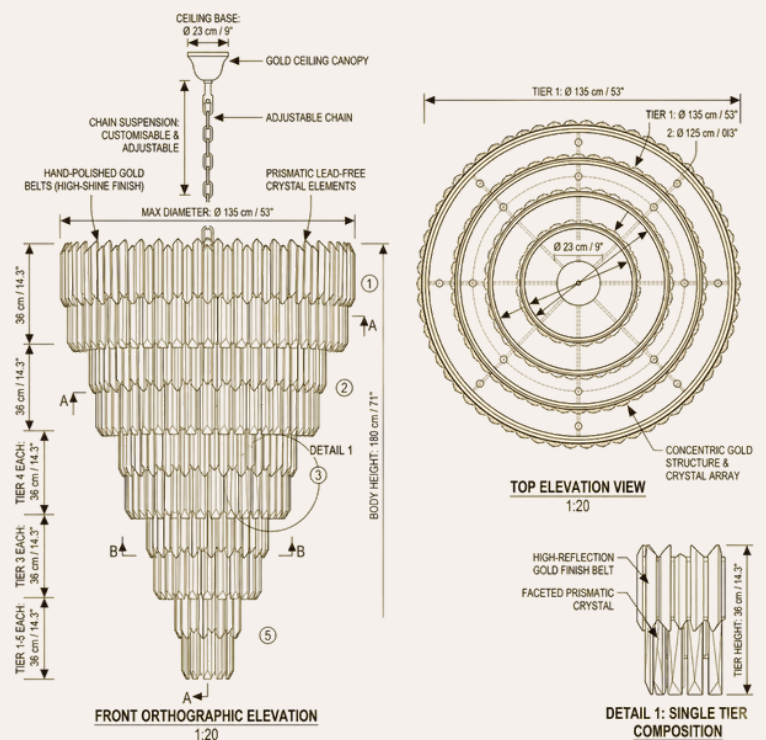

Zarrin Celarion is a grand architectural crystal chandelier conceived for double-height interiors where proportion, craftsmanship, and structured brilliance define the space. Its five-tier cascading composition, polished 24K gold-plated framework, and precision-cut crystal create a refined vertical statement that enhances scale with timeless architectural elegance.

SKU: HDLS#ZarrinCelarion

Technical Specification

- Grand architectural dimensions: Ø135 cm × H180 cm (Ø53" × H71")
- Five-tier cascading architectural formation
- Heavy-duty adjustable chain suspension
- Approximate weight: 220 kg (485 lbs)
- 24K gold-plated stainless steel structure
- Premium A+ Grade Lead-Free Precision-Cut Crystal
- 61 × E14 LED light sources
- Universal voltage: 90–260V (110V / 220V compatible)
- Fully dimmable with compatible control systems
- Recommended ceiling height: 6 m (19.7 ft) or higher
- Handcrafted to order with 10–12 week production
- Professional installation and ceiling reinforcement recommended
- Secure worldwide crated freight delivery
