

## Zarrin Elowen

Zarrin Elowen is an architectural kitchen pendant where disciplined proportion, luminous crystal, and refined 24K gold finishes create a distinctive focal point above contemporary kitchen islands. Designed for interiors where precision and permanence define luxury, it delivers balanced illumination with sculptural clarity and enduring elegance.

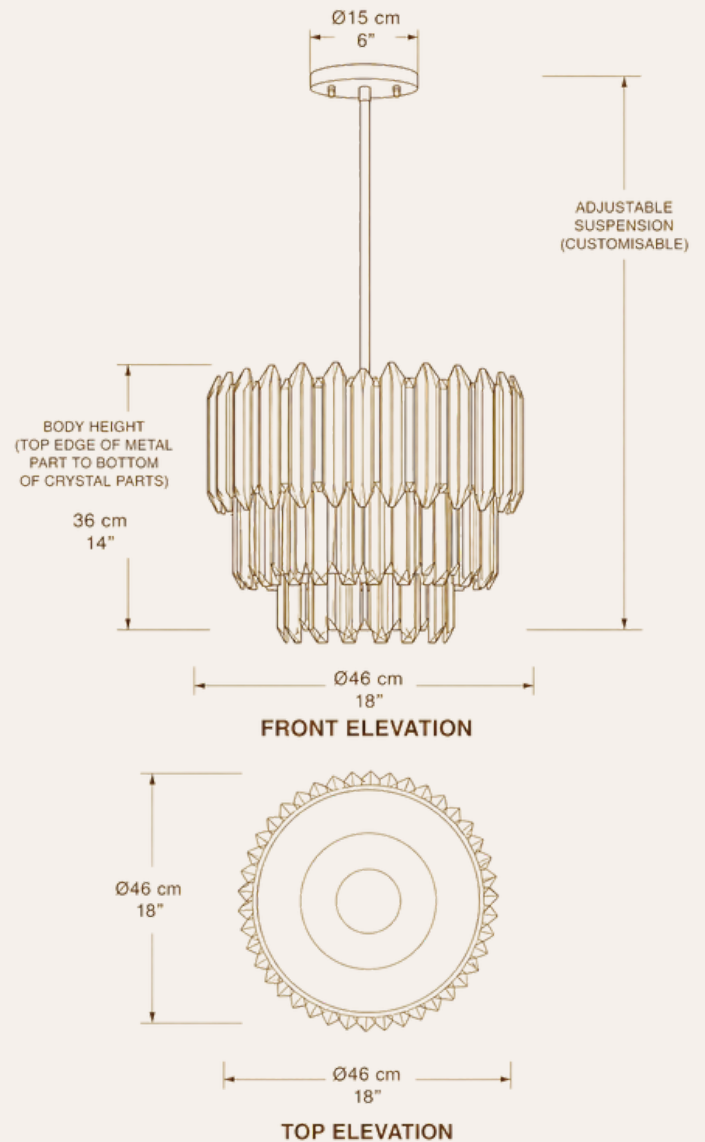

## ARCHITECTURAL PRODUCT SPECIFICATION

- Made to Order
- Worldwide Project Coordination
- Fully Insured International Delivery

### Certifications

- UKCA Certified
- CE Certified
- UL-Compatible Configuration Available
- CSA Compliant Configuration Available
- RoHS Compliant
- ISO 9001 Certified Manufacturing Process (Glass & Crystal Components)

### Materials & Construction

Zarrin Elowen is manufactured from premium stainless steel and finished using an advanced multi-layer 24K gold electroplating process that delivers exceptional colour depth, durability, and long-term resistance to wear.

Individually precision-cut A+ grade lead-free crystal elements introduce layered illumination and refined prismatic reflections, creating a balanced composition that complements natural stone, timber, bronze, and bespoke architectural finishes.
